Cogne Acciai Speciali

The Power of Cogne
Stainless Steel

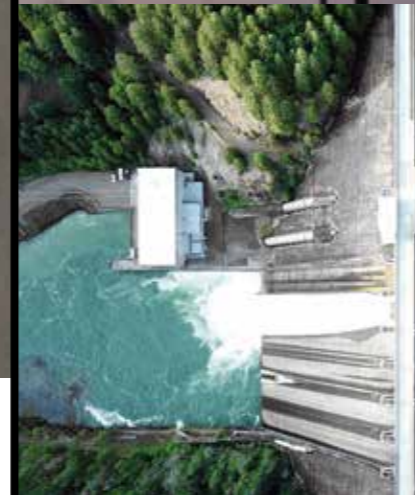

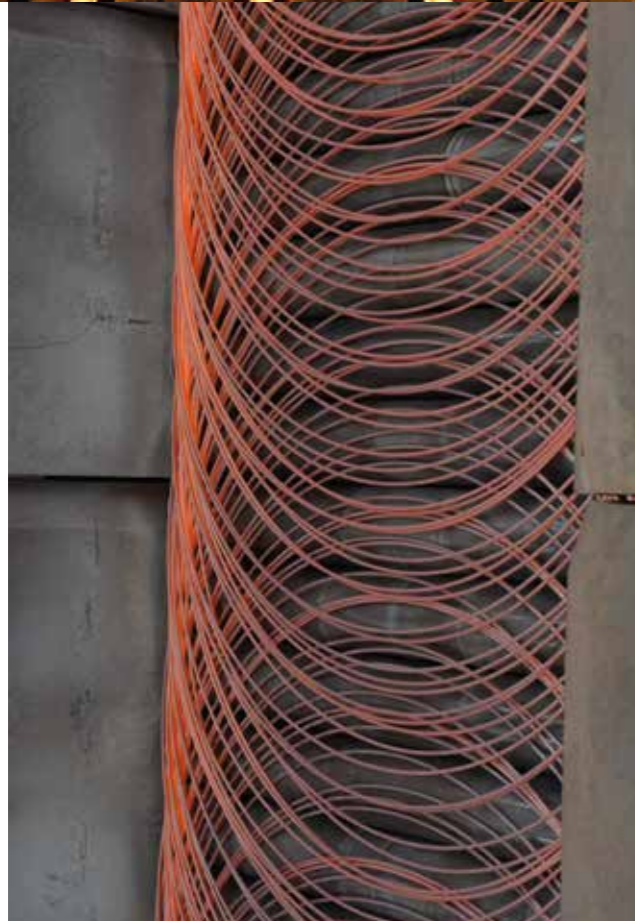

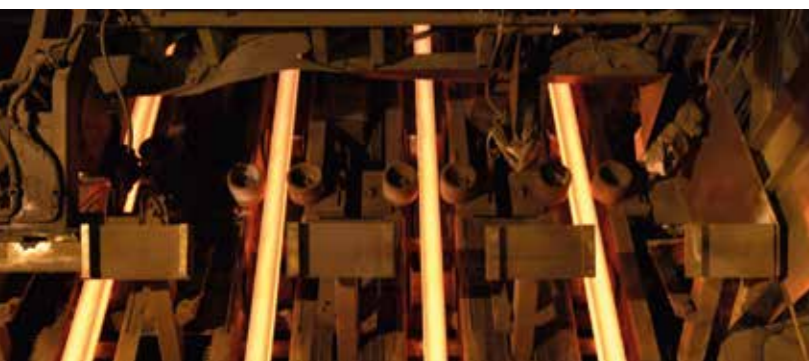

www.cogne.com

Cogne Acciai Speciali offers the broadest range of stainless steel alloys to meet the exacting standards of today's energy producers. Thanks to its strong resistance against environmental elements, stainless steel is a vital material in the power generation.

Applications:

turbines and compressors (blades and shafts), fasteners, nuclear

Stainless Steel

Product	Cogne Grade	W.N.	AISI/ASTM/ASME	UNS	EN	BS
Blades and shafts for turbines and compressors	SN625	2.4856	Alloy 625	N06625	NiCr22Mo9Nb	NA21
